Dear Mr. Barfield,

2007-03-07

In response to your detailed action, I've already written seven supporting arguments D1 to D7, all of which you find in pp 7/line 1 to pp 9/line 25 of the amended patent appl., against the features of Chika's US 4,063,778.

I'll phone you tomorrow at 3 pm Washington time.

Kind regards

Dr. Go
